ANNOUNCING MEMBER OF THE YEAR AND COMPANY OF THE YEAR WINNERS

Dec 20, 2007

The Niagara Home Builders Association recently presented the 2007 Nick Basciano Company of the Year award to PHELPS HOMES LTD in recognition of their dedication and commitment to the residential building industry, the Association and the community. Phelps Homes Ltd. promotes awareness of the industry, introducing and educating high school students with knowledge of building homes and offering on the job training through the local high schools. President Paul Phelps has represented the Association at the local level as past president, worked on many municipal issues over the past year and members of his team participate on NHBA committees. Representing the Association at the provincial level, Paul has been a voice on the OHBA/Tarion Liaison Committee, and chaired the OHBA Annual Conference for two years. West Lincoln Memorial Hospital, Grimsby Library/Art Gallery and Caistorville Library are among the many community services supported by Phelps Homes Ltd. The Niagara Home Builders Association recently presented the 2007 Member of the Year award to MIKE MEMME, Operations Manager, Mountainview Homes. Mike was recognized for his professional and infectious dedication to the Association and to the residential building industry. Mikes contribution to the industry is extensive. As the Associations President Mike represented Niagara at meetings with Regional and Municipal Officials and at the provincial level serves on the OHBA Builders Council and as Chair of the OHBA/Tarion Liaison Committee. Mike is commended for his how can I help approach, his dedication to the Association, this industry and his family.
